WARNING: The Textron Off Road Stampede[™] XTR 4x4 is designed for off-road use, therefore avoid public roads and paved surfaces. Driver must be at least 16 years old with a valid driver's license to operate. Passengers, if permitted, must be at least 12 years old. All Stampede drivers should read the Owner's Guide and take a safety training course. Contact ROHVA at www.rohva.org or (866) 267-2751 for additional information on safety training. For your safety, wear a helmet, eye protection, and other protective gear. Always fasten your seat belts and use the doors or cab nets (as equipped). While operating the Stampede, drivers and passengers should keep all parts of their body inside the vehicle at all times. Be particularly cautious on difficult terrain. Never engage in stunt driving. Avoid excessive speeds and sharp turns. Never operate or ride in the Stampede under the influence of drugs or alcohol. Check local laws before riding on trails.
