**TEAM® RAPID
RESPONSE CLUTCHES**

TAME THE WILD.

The Wildcat X and Wildcat X LTD deliver the same legendary off-road performance these models are renowned for, now with the added prestige of a new race-inspired ROPS cage. The 40-/60-percent front/rear weight distribution delivers optimal handling at high speed, which comes in handy for its 951cc twin cylinder, closed loop engine. With an industry-leading 17/18 inches of front/rear suspension travel and 13 inches of ground clearance, the Wildcat X and Wildcat X LTD deliver comfort and control in nearly every condition.

Vehicles as photographed may include options not included on base model. **WARNING:** Textron Off Road vehicles can be hazardous to operate. For your safety, never ride on paved surfaces or public roads, and avoid excessive speeds. Never carry more passengers than the vehicle is designed for. All riders should always wear a seat belt (side-by-sides), helmet, eye protection, and protective clothing. Never engage in stunt driving, and avoid sharp turns. Riding and alcohol/drugs don't mix. Textron Off Road recommends that all operators take a safety training course. For safety and training information, please see your dealer or call 1-800-887-2887 (ATVs) or visit www.ROHVA.org (Side by Sides). Textron Off Road vehicles are for operators age 16 years and older with a valid driver's license. ©2017 Textron Specialized Vehicles Inc. 82569-G2
