WILDCAT™ SPORT

BUILT FOR UPHILL BATTLES.

The Wildcat Sport XT and Wildcat Sport LTD are premium, two-seat performance machines that feature bump-swallowing double A-Arm front and sway bar equipped rear suspensions with 13 inches of rock-scaling ground clearance. The rider and passenger positions are set a full 3-inches lower than competitive models to produce a lower center of gravity, leaving occupants less affected by vehicle movements while optimizing vehicle handling for what lies ahead.

KEY FEATURES

- 700cc Twin Cylinder, Closed-Loop EFI Engine
- Infinitely Adjustable Tilt Steering
- Elka® Stage 5 Double A-Arm Suspension (LTD)

Vehicles as photographed may include options not included on base model. WARNING: Arctic Cat vehicles can be hazardous to operate. For your safety, never ride on paved surfaces or public roads, and avoid excessive speeds. Never carry more passengers than the vehicle is designed for. All riders should always wear a seat belt (side-by-sides), helmet, eye protection, and protective clothing. Never engage in stunt driving, and avoid sharp turns. Riding and alcohol/drugs don't mix. Arctic Cat recommends that all operators take a safety training course. For safety and training information, please see your dealer or call 1-800-887-2887 (ATVs) or visit www.ROHVA.org (Side by Sides). Arctic Cat vehicles are for operators age 16 years and older with a valid driver's license. ©2019 Textron Specialized Vehicles Inc. 82568-G6 (Rev. 05/2019)
