WILDCAT™ TRAIL

YOUR 50-INCH WIDE ALL-ACCESS PASS.

The 50-inch wide Wildcat Trail family sets the industry standard in handling, power-to-weight, suspension travel and pricing by bringing more horsepower, less weight, improved efficiency and long-lasting durability. The 700cc dual cylinder engine, 300-lb payload in the rear cargo bed and 10/10.5 inches of front/rear suspension make sure the Wildcat Trail family owns the trails.

Vehicles as photographed may include options not included on base model. WARNING: Arctic Cat vehicles can be hazardous to operate. For your safety, never ride on paved surfaces or public roads, and avoid excessive speeds. Never carry more passengers than the vehicle is designed for. All riders should always wear a seat belt (side-by-sides), helmet, eye protection, and protective clothing. Never engage in stunt driving, and avoid sharp turns. Riding and alcohol/drugs don't mix. Arctic Cat recommends that all operators take a safety training course. For safety and training information, please see your dealer or call 1-800-887-2887 (ATVs) or visit www.ROHVA.org (Side by Sides). Arctic Cat vehicles are for operators age 16 years and older with a valid driver's license. ©2019 Textron Specialized Vehicles Inc. 82567-66 (Rev. 05/2019)
